

CHRM®

CERTIFIED HUMAN RESOURCE MANAGER

OVERVIEW

The CHRM® designation is designed by HRMI for HR practitioner's candidate or employed in middle/senior-level Management, Full- or part-time. This program equips the participants with appropriate knowledge, skills and techniques to perform human resource functions and responsibilities in organization.

The CHRM® BOK "body of knowledge" is a recognized standard set by industry professionals and consultants working in the human resources profession. It is designed to answer the question, "What should a Human Resources Manager know and be able to apply to be considered a competent HRM?"

This professional program is designed to provide an advance level knowledge, for management of human resources in an organization. It offers good blend of theories, practices and case studies in the management of human resources to meet the growing demand for competent HR Professionals. The program has been endorsed by HRMI Global HR Leaders and past graduates have attained successful careers in the industry.

ELIGIBILITY REQUIREMENTS

Applicants must meet specific educational and work experience criteria at the time they submit their application, in order to be eligible to sit for the CHRM exam. These requirements are outlined below:

- Hold a Bachelor degree or higher
- Hold a Certified Human Resources Professional (CHRP) by or its equivalent
- At least 6 years work experience in HRM
- Agree to abide by the Code of Ethics established by the HRMI
- Any applicants with lesser working experience than the above or not holding CHRP will be reviewed by the HRMI Certification Board to determine the eligibility for the program.
