

CERTIFIED MANAGEMENT ACCOUNTANT

OVERVIEW

The Institute of Management Accountants is dedicated to excellence within the management accounting profession. The Certified Management Accountant (CMA[®]) designation was developed in 1972 to provide an objective measure of an individual's knowledge and competence in the field of management accounting. Only the CMA program recognizes the unique proficiencies required for success in this challenging profession.

The CMA program has been designed to meet the evolving needs of business today and tomorrow. We look forward to helping you achieve excellence as a professional. Certification will confirm your proficiency in your chosen field and your dedication to personal and professional growth.
