

PROJECT MANAGEMENT PROFESSIONAL

OVERVIEW

The Project Management Professional (PMP)[®] is the world's leading project management certification. Now including predictive, agile and hybrid approaches, the PMP[®] proves project leadership experience and expertise in any way of working. It supercharges careers for project leaders across industries and helps organizations find the people they need to work smarter and perform better.

WHY PMP?

The PMP adds value. CIO magazine ranked the PMP as the top project management certification in North America because it demonstrates you have the specific skills employers seek, dedication to excellence and the capacity to perform at the highest levels.

The PMP delivers benefits. The median salary for project professionals in North America is 25% higher than those without it.

The PMP proves you work smarter. It shows you have the skills to drive business results and increase your organization's impact in the office and around the world.
